Sir,

Subject Approval to the acceptance of tender by Holalkere Municipal council, allowing rates higher than the prescribed schedule rates towards repairs to roads in the town

===

I have the honour to state that two estimates one for Rs 120-12-8 and another for Rs 128-15-0 for repairs to roads in the town were sanctioned by the Municipal council, Holalkere Minor Municipality at its meeting held on 2-11-1947 Tenders were called for and the council has accepted the tender of Sri Chunilal of Holalkere being the lower of the two tenders received in response to the notification wherein the rates quoted and accepted have exceeded the scheduled rates prescribed for the PWD works in the locality by 66% The council was not competent to accept such a tender and subsequently, a revised estimate providing therein the tender rates has been got prepared and sanctioned by the council at its meeting held on 17/3/49 The work has been got executed The point was noticed at the time of inspection of the Municipal office, by me last year and necessary instruction were issued to rectify the defect The council at its meeting held on 31 1 1949 has resolved to make the payment at 66% above the schedule rates

2 I therefore request you kindly to obtain sanction of Government for the resolution dated 31/1/1949 of the Holalkere Minor Municipal council agreeing to pay at 66% above the schedule rates in the estimate for Rs 415-2-0 repairs to roads in the town The connected records accompany for reference and return

Yours faithfully,

Deputy Commissioner
